

**REMARKS**

The Office Action of April 30, 2008 has been received and its contents carefully considered.

The allowance of claims 30-34, 37, and 38 has been noted with satisfaction. In order to secure a patent without further prosecution, the present Amendment cancels rejected claims 6-10 and 25-29. Since this leaves only allowed claims, it is respectfully submitted that the application itself is now in condition for allowance.

Respectfully submitted,

Allen Wood
